

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA3715WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product Type Certificate Number : A-799
Make : Cessna
Model : 170, 170A, 170B

Description of Type Design Change:

Installation of Vertical Tail Floodlight per FAA sealed DeVore Drawing 17000001, Revision A, dated September 18, 1978, or later FAA sealed revision.

Limitations and Conditions:

The approval of this change in type design applies to Cessna 170, 170A and 170B models only. This approval should not be extended to other aircraft of these models on which other modifications are incorporated unless it is determined that the interrelationship between this change and any previously approved modification will introduce no adverse effect on the airworthiness of these aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : August 10, 1978

Date reissued : January 31, 2000

Date of issuance : September 27, 1978

Date amended :

By direction of the Administrator
