

United States Of America
Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number SA2302WE

This Certificate issued to DeVore Aviation Corporation of America,
a New Mexico Corporation
6104-B Jefferson, N.E.
Albuquerque, NM 87109-3410

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4b of the Civil Air Regulations dated 1950 Amendments 1, 3, 5 plus S.R. 422-B and 423.

Original Product Type Certificate Number : 6A6
Make : General Dynamics Convair
Model : 340/440

Description of Type Design Change:

Modification of pedestal flight idle stop and lift to reverse system in accordance with FAA sealed DeVore Aviation Service Corp. Drawing 58073001.

Limitations and Conditions:

The modification described herein is applicable only to those General Dynamics/Convair 340/440 airplanes which have STC SA4-1100 installed.

This approval should not be extended to other airplanes of this model and configuration on which previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any of those previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 19, 1970

Date reissued : 11/8/74; 1/31/00

Date of issuance : January 09, 1971

Date amended :

By direction of the Administrator
