

Product & Warranty Registration

Register your FMG4400D online at www.devoreaviation.com/productregistration/fmg
Thank you for choosing the FMG4400D Flash Measuring Gun from DeVore Aviation!
We would like to hear from you.

Two Important reasons to Register:

Owner Verification: Registration provides a record of your model / serial number for a period of 10 years and services as verification of ownership in the event of loss or theft. To obtain a copy of your registration, please write to DeVore Aviation Product Registration. 6104 Jefferson NE. Albuquerque, NM 87109

One Free Calibration: A \$300 dollar value. Must be received within 30 days after one year of date of sale. Calibration includes functional testing and a calibration certificate. Offer does not include the replacement battery pack (\$136.36), damage due to negligence or freight. The FMG4400D is a precision measurement instrument and must be calibrated yearly to maintain FAA acceptance of the instrument when used as part of an aircraft strobe anti-collision light maintenance program. Your instrument will be traceable to NIST standard 37110S. When returning the instrument, it is important to ship the instrument in its original protective case in a cardboard carton. DeVore Aviation is the only FAA approved calibration station for the FMG.

Warranty Statement

We warranty each new FMG4400D Flash Measuring Gun or parts thereof manufactured by DeVore Aviation Corporation of America to be free of defects in material or workmanship under normal use, conditions and service. Our obligation under this warranty is limited to correcting at our factory by repair or replacement any part or parts which our examination shall disclose to our satisfaction to have been thus defective within thirty six months after the original date of purchase. FMG will be returned to us with transportation charges prepaid in the original protective case. This warranty is expressly in lieu of all other warranties, expressed or implied and all other obligations or liabilities on our part. We neither assume nor authorize any other person to assume for us any responsibility in connection with the sale of our products. This warranty will not apply to any FMG4400D which has been repaired or altered outside of our factory in any way or which has been subject to misuse, neglect or accident. DeVore Aviation warranties the battery pack for a period of one year after the date of purchase.
